**5.0 Old Business**

**5.1 Speeding Councilman Ralph Paull stated he has talked with Superintendent Bill Wurtz on leaving the blinking school zone sign flashing. Mr. Wurtz is working on it. Mr. Paull hopes that once the school is involved the issue will quickly be resolved.**

**6.0 New Business**

**6.1 Kelli Gebauer, Arena Sublease & Winter Carnival Mrs. Gebauer explained to Council that she has been hoping to set up a monthly “Kids Playdate” at the Arena. She was asking about subleasing the Arena for these events. Council responded that the Paisley Rodeo Club holds the lease on the Arena and they would need to agree to the sublease and approach with a contract. Mrs. Gebauer stated she does have a written proposal for the Rodeo Club which she hopes to present or have presented to them at their Board Meeting tomorrow. Council worries that insurance could present a problem but Kelli has already checked into this issue and can carry up to \$2,000,000 per weekend event on her policy. The Council asked Melissa to contact the Rodeo Club and let them know that they would be supportive of this endeavor if the PRC was agreeable also.**

Mrs. Gebauer also spoke to Council about her idea of having a Winter Carnival. She has spoken to VIPs and would be working in conjunction with the group. She's considering a food drive during that time and hopes to make it an annual event. She will check with the school and the Examiner on the dates, striving to pick a date that doesn't coincide with another event. Hopes to do the tree lighting during this time, maybe caroling, is working on hayrides. Council asked Melissa to check with insurance and make sure there wouldn't be any issues. Kelli will return in November with an update. **Ronne Lindsay moved, Ralph Paull 2<sup>nd</sup> to approve the Paisley Winter Carnival contingent upon insurance requirements, MCU.**

**6.2 Dale Roberts, Election Write In** Mr. Roberts wanted to explain to Council what had transpired. Dale had been considering running for one of the open Council seats coming up but had never gotten paperwork filed. He came and talked to the Recorder when he saw there were only two open seats. Melissa called Lakeview and spoke to Stacy who told her again (she had gone in and talked to her face to face weeks before) that no, there were only two. After a week or two had passed Dale went in and talked to Stacy in person. After they had talked and gone through previous records Stacy conceded there were three seats. Dale was told the ballots would need to be reprinted and Paisley would have to bear the cost which Dale doesn't believe is correct. He believes the County should be paying for the reprint as they had been the ones with incorrect information. During discussion Melissa stated that yes that had happened, she had emailed Council to let them know about it. When Stacy called and told her about the reprint she had also told her she had contacted the Secretary of State's Office and it is statute that the City is responsible for knowing what's going on. The reprint is going to cost \$100. Melissa told Council she had printed two pages with a short explanation of what had happened, put one at the Merc and one at the Post Office with a write in sheet. Dale responded that there wasn't one at the Post Office. Melissa stated it had been there a few hours before when she picked up mail, someone must have taken it down. She will reprint and hang it up again. Mayor Blair believes the County Commissioners should be approached over the reprint issue.

**7.0 Executive Session**

None

**8.0 Correspondence / Reports**

Mary Lou Sanchez stated the office had been very cold when she came in this afternoon. She was wondering if Council would consider buying an infrared heater. Something to think about.
