They would like us to apply for a loan for the money needed to finish the project. Krissy explained that Paisley is not going to do that right now and will continue to explore grant opportunities.

The meeting with the Rodeo Club went well. They discussed development and future income possibilities. Krissy would like to see a portion of the land between the rodeo grounds and Red House developed into a parking area and/or a dry camping area. Pardue Construction came in and cleaned the sage brush off at no cost; Krissy would like to name the lot after them. Krissy has talked to the ZX about gravel for the area. **Chelsea Jones moved, Travis Garner 2nd, to continue working to add gravel to the area and following steps to make the area a dry camp area, MCU.**

Krissy discussed the City lodging tax. The taxes gathered now are going to Paisley Disaster Unit. Without changing that, Krissy would like to see if they are receiving the maximum amount allowed and if not, to consider raising the tax to the maximum amount and then have the excess coming to the City for community improvements/beautification.
