

**City of Paisley**  
**Minutes of July 5th, 2016**  
**Regular Meeting**

**1.0 Call To Order/ Pledge of Allegiance**

The Regular Council meeting of the City of Paisley was held on July 5, 2016 at Paisley City Hall. Mayor Dale Blair called the meeting to order at 7:05 p.m. Council Members in attendance were Dale Blair, Ralph Paull, Dick Mecham and Robert Davis. Council Member Ronne Lindsay unable to attend. Others in attendance; 4 members of the public and Melissa Walton, City Recorder.

**2.0 Agenda Approval**

**Robert Davis moved and Dick Mecham 2<sup>nd</sup> to approve the Agenda.**  
MCU

**3.0 Consent Calendar**

**3.1 Minutes for June 8, 2016 Regular Council Meeting, 3.2 Minutes for the June 22, 2016 Special Meeting and 3.3 June Invoices.** **Robert Davis moved and Dick Mecham 2<sup>nd</sup> to approve the Consent Calendar.** MCU

**4.0 Public Input**

None

**5.0 Old Business**

**5.1 Mosquito Festival Update** Tina Aguilar reported to Council that she had finally received a quote from Benders for the shirts and hats. She's been asking for pricing since she started working with him in early June. He told her that the cost would be just over \$2600. Tina was very surprised as she had given him a copy of the invoice from the year before and told him she needed to be within that price range (\$1700), unfortunately it's too late to order shirts elsewhere and get them in time. Tina states to Council that in selling the shirts at \$15 and \$13 and the hats at \$20 she feels the money will be recouped. Tina recommended that the City consider a PayPal account. She states the account is hooked directly into a bank account and all monies are deposited that way. She's selling what she can of the older shirts from storage. Yesterday she netted \$68. Plans to have them, along with the new ones, at the information booth during Mosquito Festival. During the original planning she had set a \$300 budget for advertising. She's at \$232 currently. Tina talked previously of buying and selling bracelets. Sell them for \$5 which would include discounts on certain Festival events (bbque, shirts, raffle tickets). Tina would also like to sell Frisbees with an "I Love Paisley" and a mosquito on them. Still working on finding pigs for the greased pig contest. The food for the bbque, the bracelets, Frisbees and pigs should be only expenses left. All expenses

remaining will be ran through Council via email. **Ralph Paull moved, Robert Davis 2<sup>nd</sup> to approve the purchase of bracelets and Frisbees, not to exceed the cost of \$450. MCU.** Tina also reported Ed Agrisea raised an additional \$125 for the basketball courts. Also Tina wanted to report to Council that a donor from previous years is a little upset, feeling underappreciated and that the City expects them to donate without any recognition. Tina wants to add the names of donors to the Frisbees as the shirts are done. Suggests next year maybe selling legal fireworks for a fundraiser. Mayor Blair stated it would need to go through insurance for approval first and foremost. Tina is willing to do more research and will bring it up at a later meeting.

**5.2 Arsenic Plant** Melissa reported to Council that the last three tests, done all at once from three different points, came in under the limit. Council hopes we are on the right track.

**5.3 Zoning Ordinance Amendment, Adopting TSP** Mayor Blair stated to Council that during the meeting on June 22, it was explained to him that with the Transportation System Plan (TSP) the City is given better access to fixing or installing streets, sidewalks, also enables Council to change zoning, etc. Overall makes improvements easier and more attainable. **Ralph Paull moved, Dick Mecham 2<sup>nd</sup> to Adopt the TSP and Amend Zoning Ordinance #134. MCU.**

## **6.0 New Business**

**6.1 John Steffes, Pioneer Saloon, Variance** John Steffes presented to Council a plan to extend the front patio at the Saloon and add tables and seating out there. The back outside portion of the Bar is closed at the moment. His plan is to extend 4 feet past the existing porch and then adding large logs at perimeter to mark edges. John states he's spoken to Kent with OLCC and believes if Council approves the change then he will be able to serve alcohol within that perimeter. John believes that monitoring the front in conjunction with the saloon will be easier than monitoring the back area where personnel don't have a line of sight. He worries that this may push the tail end of cars and trucks within the street but isn't positive as the street isn't marked. He would also like to build a 4x8 reader board, movable, to place within the triangle created by the streets and Highway 31. The sign would be short so as not to impede the sign for the Cemetery and the stop sign. He has spoken to Lori Lorenz, whom owns the Paisley Perk and she is agreeable to placing the sign in the area. Also John would like to set up a beer garden for Mosquito Festival. He has a popular local band set to play, Rico Nova. Their stage would be the back of a flatbed truck. They will play two sets, probably 6 pm-7 pm to include kids and then 10 pm-11 pm. The ZX is willing to bring hay bales in to "block off" the beer garden. He's spoken to Chris Miller

concerning the property to the south side of the bar. Mr. Miller is considering letting him put the beer garden over onto the property but is going to speak to the Fire Marshal first.

Council expressed concerns of impeding traffic once patio is pushed outward. John asked if it would be alright to make it to where there was no parking available in the front area. Also stating the patio would not be covered, may consider adding some umbrellas. Council also recommended discussing the Mosquito Festival plans with the neighbors so there were no surprises. Their other concern was smoking. John is willing to designate a smoking area. Council stipulates to John that he get approval from the State Fire Marshal and get road coordinates from the County Road Department. **Robert Davis moved, Dick Mecham 2<sup>nd</sup> to approve the Beer Garden for Mosquito Festival pending approval from the State Fire Marshal and OLCC, approving the reader board being placed across from the Pioneer near the stop sign and approving the extension of the patio and parking lot as long as it does not encroach into the street. MCU.**

- 6.2 Pierre Hoppe, Lake County Cemetery** Pierre Hoppe and John Griffin presented to Council the idea of drilling a well to use for irrigation at the Cemetery above Paisley. They are contracted with the City on water. But the current situation doesn't afford them the pressure needed to properly irrigate the 3.69 acres. They would like to drill a well and install a water system. The Cemetery sits on City property. The Cemetery Board would like to drill a well, paying the cost. In the past when this was done within other districts the well was turned over to the City. Paisley would lose the proceeds from the water contract if they drilled a well and set up a sprinkler system but dependent on water rights, the City may be able to still charge for use. The Cemetery Board feels that if they are to proceed with the drilling of the well it needs to happen within the next few years while the funds are available. **Robert Davis moved, Ralph Paul 2<sup>nd</sup> to approve the drilling as long as it doesn't interfere with City water or the aquifer. MCU.**

**7.0 Executive Session**

None

**8.0 Coresponse / Reports**

None.

- 9.0 Adjournment** Robert Davis moved and Dick Mecham 2<sup>nd</sup> to adjourn meeting at 8:34 pm. MCU.

**Next Meeting:**

The next Regular Meeting will be August 2, 2016 at 7:00 p.m. at Paisley City Hall.

Respectfully Submitted,
