Budget Hearing

- 1.0 Call To Order** The Budget Hearing of the City of Paisley was held on June 28, 2022 at Paisley City Hall. Mayor Krissy Funk called the meeting to order at 1:31 pm. Council Members in attendance were Toni Bailie, Travis Garner, and Chelsea Jones. Others in attendance: Lora Mayea, Dustin Withers and Melissa Walton, recording minutes.
- 2.0 Budget Hearing** Discussion and clarification of budget items were gone over. There was one error Melissa caught then fixed. Toni asked about changes Melissa had previously stated would need to be done during the hearing. Melissa stated she had talked with the Oregon Department of Revenue about the addition and it can be done through a resolution. The change being the PVFD is going to receive some money from the State Fire Marshal's office that will be used to pay fire fighters for on call and work time. The funds were offered to all the volunteers but only 5 or 6 are going to take it. Because the funds will be used for one specific purpose they can be added to the budget through resolution rather than going through the supplemental budget process. The classification of unappropriated funds versus other funds, such as general fund, water/sewer fund, was also discussed and explained. Lora Mayea asked a couple questions about the Mosquito Festival fund and the proceeds. Vector control was also discussed. Melissa had put out an RFQ for a sprayer. She went onto the state's Department of Ag site and found 5 or so sprayers within the area that she sent emails and letters to. Only a few listed a public health category, but the RFQ states the category would need to be added to any existing license. The RFQs are due July 5th as the City is trying to get the spraying going. Dustin Withers discussed the grant from the Fire Marshal's office for the fire department. There were no other questions from the public nor Council.
- 3.0 Adjournment** The budget hearing was adjourned at 2:03 pm.
- The Regular Council Meeting for Council began directly after the hearing.
