2.0 **Mosquito Festival 2016**

Dale Blair introduced himself and asked everyone else to do the same. He then stated that Council was trying to determine if there would be a Festival this year. There have been many years of hard work put into the Festival and everyone would hate to see it discontinued but the work and dedication needed to put on the Festival has effectively burned a lot of people out. First step is finding someone to head a committee then filling the seats of said committee. The committee would need to meet once or twice a month from now till Festival time and report to Council monthly. The city will supply majority of funds. Once the head of the committee is found, they will be able to spend under \$500 without Council approval. Tina Aguilar volunteered to head the committee. Many ideas were discussed. Melissa Walton will send a list of possible events to Andrew at Nolte Fuller to get insurance approval. It was suggested contacting Lili Frank with Parole and Probation to see if the Community Service workers could help out with some of the sprucing up for Festival. Dale Blair asked Tina Aguilar to report back to Council March 1, 2016.
