info@cityofpaisley.net

Good morning. Recently we have received inquiries from you and others concerning an RFP from the City of Paisley.

The City has been made aware that we have made an error within our request, therefore we have not met the requirements for the RFP of the Engineering for an EPA Grant we received for infrastructure repairs within the city. We are working to revise the request and will send it back out as soon as possible. The revised RFP will have a due date of January 6, 2025.

We apologize for this inconvenience and hope you will still consider placing a bid. All questions we have received will be attached to the new RFP.

Thank you!

Melissa Walton
Recorder
City of Paisley
