

City of Paisley
Minutes of January 8, 2019
Regular Meeting

1.0 Call To Order/ Pledge of Allegiance

The Regular Council meeting of the City of Paisley was held on January 8, 2019 at Paisley City Hall. Mayor Ralph Paull called the meeting to order at 7:10 p.m. Council Members in attendance were Ralph Paull, Dale Roberts and Robert Davis. Others in attendance: Travis Way, Craig DeLarm, Joan Riha and Melissa Walton, City Recorder.

2.0 Swear In New Council Members & Elect Mayor and President

Ralph Paull welcomed back Councilman Dale Roberts, and in-coming Councilman Craig DeLarm, to the Paisley City Council. Recorder, Melissa Walton, swore in both gentlemen. They will each serve a 4 year term. There was a call for nominations for Mayor. **Dale Roberts nominated, Robert Davis 2nd, in nominating Ralph Paull as Mayor. Council voted unanimously to pass the motion. Robert Davis nominated Dale Roberts for President. Council voted unanimously to pass the motion.**

3.0 Public Appearances None

4.0 Executive Session None

5.0 Agenda & Consent Calendar Robert Davis moved, Dale Roberts 2nd, to approve the January 8, 2019 Agenda, the December 4, 2018 Regular Meeting Minutes and the December Invoices. MCU.

6.0 Business

6.1 Mayor's Review Mayor Ralph Paull asked Council and the public for ideas on what to do with the stump out front by the highway. Table till next meeting

Backboards for the basketball court- Duke Sanchez is going to write letters to Dick's Sporting Goods and other places to see about donations or a reduction in price on replacements. Mayor Ralph Paull is going to speak to the School also.

Ralph has been told ODOT is supposed to have some money for the flashing lights signaling people to slow down as they come into town. He will check into that some more.

A reminder was given about the large hole in the top of the manhole on the Temple's property. Community members and property owners are worried about animals or people falling in and getting hurt.

The trees in the City Park are becoming an issue. The roots are plentiful and sticking up out of the ground. There is worry that trimming them will cause the trunks to weaken. Council is unsure whether to trim or remove. Either way the cost will need to be budgeted into next year. Ralph would like to buy and plant a Christmas type tree in the front yard (west side) where there is little street lights shining, to really show off the Christmas lights. Need to consider the sprinkler system.

January 14th Rick Dancer, whom was hired by the Chamber of Commerce, will be taking videos, interviewing people and posting the videos to Facebook. These will highlight the City, the School and a few local hotspots. He will meet with City personnel that morning at 11:00 am. It is the City's responsibility to house and feed him. Duane Graham from the Hot Springs is donating the room.

Economic Development – the County asked if Paisley would be part of a development plan they were interested in. A consultant would be brought in to analyze data and help update plans. Paisley agreed to the proceedings. The understanding was there was supposed to be a couple of meetings and an open house. Melissa states there have been a lot of meetings and a couple open houses are planned. She welcomes any interest Council has in overseeing Paisley's end as the time required is more than she has to give.

- 6.2 Travis Way, Water Superintendent** New flow meters have been ordered at a cost of \$4000.00.
- 6.3 Three Rivers Mosquito and Vector Control** Ralph talked to Edward and he is not doing the BBQ on the 19th. Ralph is looking for information about last year's festival. He's been told there are some complaints about different Facebook postings. Ralph is hoping to set up a noon meeting with Edward on the 17th to discuss these issues. He would also like to discuss moving the "Fun Day" but still having a dinner that the rodeo club participants could come to after their events that normal weekend. He has asked around and the end of June doesn't seem to conflict with events in our surrounding areas.
- 6.4 Truck Bids** Council received one bid, for \$325.00. Council feels the truck is worth \$500 minimum. After discussion **Dale Roberts moved, Craig DeLarm 2nd, to extend the bid process till next meeting with an opening \$500 minimum, first contacting the people that submitted their bid with this information. MCU.**
- 6.5 Craig DeLarm, Archery Course** Craig presented a packet outlining the project. He has meetings with the School, 4-H and youth groups hoping to involve all of them. ODFW will pay for all equipment as long as there is an archery range for school kids. 4H is willing to help with cleaning up and setting up the range as their Community Project. Craig wants to make

it a Community Complex, all open to the public. Equipment would be the only thing locked up. There is a lot of interest in usage and events, including Lakeview Bowmen. He's looking into insurance and costs. For safety reasons the back of the range would have a 20 foot berm, 8 feet on the sides. The only concern he has now is cattle tearing up the field. There are 18.7 acres that can be utilized for them and there are people willing to help build fence. The ZX has offered to carve out a bus turn around. In discussion with different groups and people there has been an interest shown in cleaning up the baseball field so it may also be utilized. Craig and other volunteers are willing to be responsible for upkeep.

- 6.6 City Jet Sprayer** A few weeks ago the jet sprayer the City owns blew the top of the pump motor while being used to unplug a clog in the sewer lines. The sprayer is valued at \$14,000 on insurance papers. It's going to cost \$9,300 to repair. It is a necessity to the City. Lakeview has an old sewer truck they are thinking to surplus. They are meeting today and will discuss surplussing it to the City.
- 6.7 Efird Property** Ralph found many different City ordinances that are being broken on the property but has had no luck in finding a solution. He is currently talking to the new County Commissioner, James Williams. To be tabled till next meeting.
- 6.8 Trees at Community Center** Discussed in Mayor's review.
- 6.9 Deer Population** Table for now.
- 6.10 Economic Development** Discussed in Mayor's review.
- 6.11 Community Center Siding** Previously a bid had been accepted from Combat Construction with the stipulation work was started now rather than the spring. The builder was unable to comply. Ralph would like to see it put out again, for the entire building, so we know what amount needs to be budgeted for. **Craig DeLarm moved, Dale Roberts 2nd to push for new bids, letting the contractors know they cannot begin until July 1, 2019. MCU.**
- 6.12 Bid for Fire Hall Roof** Received a bid from Albertson Construction & Repair for the repair of the roof at the Fire Hall/Food Share building. **Dale Roberts moved, Robert Davis 2nd to go with the 2nd option of \$29,910.00 and submit it to the insurance. MCU.**
- 6.13 Restaurant Property** Ralph asked Council if it would be good for the City to invest in the property and then lease it out. Stating it would be income for the City. Dale will find out the cost and this will be revisited later.

7.0 Reports / Correspondence
None

8.0 Adjournment Craig DeLarm moved, Robert Davis 2nd to adjourn the meeting at 9:07 p.m.

Next Meeting:

The next Regular Meeting will be February 5, 2019, at 7:00 p.m. at Paisley City Hall.
