2.0 Business

2.1 Employee Contract(s) Krissy Funk informed Bruce Gibbons the City is giving him 30 days' notice of ending his contract. She asked Bruce if he had anything he would like to say, any opinion he would like to make. Bruce kept questioning when the decision had been made and Krissy kept asking him if he had any comments for Council. Bruce had no other comments to make and Krissy asked that the record reflect he declined his opportunity to speak and the city is giving their 30 day notice.

2.2 Lake County Contract Melissa presented the contract to Council stating the corrections had been made as to buying a service truck and the name of the project. Under the equal opportunity section, there is a piece that gives a requirement that a percentage of work has to be done by minorities, women or vets. If not adhered to the County can ask for a return of the funding plus 5%. Travis said this is a normal business requirement. **Toni Bailie moved, Ruth Robinson 2nd, that with the understanding of these provisions, we approve the contract with Lake County, MCU.**

2.3 Mosquito Festival Update Amy Davis stated the price of meat is fairly high. Most places are around \$7 a pound. Diamond S in Klamath said they could go \$5.49 per pound. Krissy asked about asking for donations from area ranchers but was told that would require USDA inspections along with cut and wrap. She figures a total cost of \$4150 to put on the festival and barbeque. Yasmine Marx and Jenn Douglas have both offered to make cups to sell. Jenn is also willing to do the t-shirts. Council suggested buying 350 pounds of meat. Amy said she believes the prices last year were \$18 a plate per adult and \$14 per child. They will figure out the cost and decide from there. Vendors will be \$30 a day or \$50 for the weekend. The Pioneer has a band for Saturday; they may set up out front. The committee will hold a community dance after the "Romancing the West" show on Friday.
