The South Central Economic Development District (SCOEDD), in partnership with:

- Lake County
- The City of Lakeview
- The City of Paisley

is the recipient of a \$600,000 U.S. EPA Brownfield Grant that provides funding to identify, assess, and develop cleanup and reuse plans for eligible properties throughout Lake County.

Please attend and learn how this funding will help our community through the following:

- Assessing and cleaning up vacant blighted properties
- Minimizing exposure to contaminants
- Catalyzing local economic development
- Creating jobs

You will also have the opportunity to participate:

- Nominate sites for assessment
- Discuss redevelopment needs
- Suggest redevelopment options for target sites
- Volunteer to serve on the City's Brownfield Working Group
