**Special Meeting**

**1.0 Call To Order/ Pledge of Allegiance**

The Special Council meeting of the City of Paisley was held on August 20, 2019 at Paisley City Hall. Mayor Ralph Paull called the meeting to order at 7:05 p.m. Council Members in attendance were Robert Davis, Craig DeLarm, Kristine Funk and Dale Roberts. Others in attendance: Travis Way, Ralph McAllister, Dee Ann McAllister, Barb Roberts, Joan Riha, Mary Lou Sanchez and Karon Paull, recording minutes.

**2.0 Public Appearances** Ralph McAllister stated OLCC is requiring him to install an electronic scanning machine in the store within a year. Mr. McAllister brought in a certificate from OLCC stating the City receives \$7,900 in revenue from OLCC. Ralph is considering not renewing his liquor license next year which would be a loss of tax revenue for the City.

**3.0 Business**

**3.1 Fire Truck** The Fire Department suggests giving the old fire truck to Dennis O’Leary. It was stated that because it’s a City vehicle that may not be the proper way to handle it. The Fire Department is going to take control and find out what needs to be done as far as getting rid of it.

**3.2 Mosquito Festival & Control** Ralph Paull stated the mosquitos haven’t been sprayed in a little over a week. People are complaining about never being sprayed and only being able to reach Edward through social media, which a lot of Paisley’s older generation don’t get onto. The question of getting out of the contract was brought up at last meeting. Some people believe TRMVC should be held to the contract to spray. Dee Ann McAllister asked if it was feasible to move the Mosquito Festival or the events to another date. Ralph Paull stated the group asking about taking the Mosquito Festival over were asked that question and stated they would rather keep everything on that weekend. Ralph McAllister asked if the City gave any money to the Mosquito Festival since TRMVC has taken it over. Ralph Paull was not sure.

**3.3 Recorder Hours** Ralph Paull stated the question had been raised at increasing the Recorder’s hours to 4 days a week, 8 hours a day. Community members asked how many hours she currently works but Ralph was unsure but stated the extra hours would also help with time needed in applying for grants. The community members present stated they want it kept to 20 hours a week and want to know if money had been budgeted for the extended hours. Ralph said yes it had been talked about during the budget process and included in the budget so the money was there if it came to pass. The question was asked how much Missy’s salary and Travis’s salary was; Travis responded he receives \$2,000 per month, Council was not positive on Missy’s. Dale Roberts stated Council had not voted to have

Missy on full time. Kristine states she sent Missy a text asking on hours currently worked and Missy said she works 12 hours in the office and 8 doing bank and answering phones remotely. There were concerns raised about where the extra money was coming from to extend hours, especially as the City doesn't have the money to repair the building. Also concerns about adding hours to the schedule when Missy has been gone so frequently this last year. The community members state that at this time they are against extending the hours and increasing the salary for the recorder. It was suggested having a contract or list of duties for the recorder position and other City employees. Travis stated there is a job description for his position. It was asked if the Council felt obligated to give Missy more hours because she has resigned from ICFC. Ralph stated that he feels it's his fault, he had asked her if she would be willing to work more hours at the City. Kristine asked what the next step was with Missy. Ralph said he will talk to her about a contract that lists job duties.

**3.4 Road Work** Ralph Paull stated there will be work done on the pot holes by the Perk. The City is checking into cold patch. Dale and Craig reported on the meeting with Rob Lindsay, who is with ODOT.

**4.0 Adjournment** Craig DeLarm moved, Kristine Funk 2nd to adjourn the meeting at 8:31 pm.
